After School Student Enrollment

Student
Name:_____
Grade:_____ Home
Phone:_____

VERY IMPORTANT, some classes meet more than one week. It is important that you do not schedule classes that "overlap". For example, if a class is listed as a two week class, you must enroll in both weeks. Most high school and middle school classes run Monday thru Thursday, from 3:15 p.m until 5:15 p.m. Bus transportation home is provided each night, except for classes that are held during vacations or school breaks. Students may only leave classes early with a parent. Classes are filled based on the order in which signed enrollment forms are turned in to the office. Enrollment in most classes is limited.
